RE: Scope determination on antidumping duty order on multilayered wood flooring from the People's Republic of China (A-570-970)

1. On 03/31/2017, in response to a request by Complete Flooring Supply Corporation (CFS), Commerce issued a final scope determination that the multilayered wood flooring products which CFS imports from the People's Republic of China (PRC) are within the scope of the antidumping duty order on multilayered wood flooring from the PRC (A-570-970). These products contain wood veneers made from exotic wood species including, but not limited to, Acacia, African Teak, Black Walnut, Brazilian Cherry, Brazilian Walnut, Burma Teak, Dillenia, Elm, Eucalyptus, IPE, Iron Wood, Rosewood, Santos Mahogany, Sapelli, and Tiger Wood.
2. Because all multilayered wood flooring products from the PRC are included within the definition of subject merchandise without regard to the wood species used, and the imported products are made with two or more layers or plies of wood veneers in combination with a core, Commerce found the products to be within the scope of the order.
3. Continue to suspend liquidation of entries of multilayered wood flooring from the PRC, including the multilayered wood flooring imported by CFS described above, subject to the antidumping duty order on multilayered wood flooring from the PRC.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
